On January 29, 2021, from 9.00-12.00, a remote meeting was held by representatives of the projects implemented under the Operational Programme: Knowledge, Education, Development, Axis II; Effective public policies for the labor market, economy, and education. The meeting was attended by representatives of the projects:

- "Leaders of cooperation", implemented as part of Macro-region I, covering the Lubelskie, Mazowieckie, Podkarpackie, Podlaskie, and Świętokrzyskie voivodships.
- "Cooperation - effective and efficient" implemented within the framework of Macro-region II, including the Zachodniopomorskie, Pomorskie, Kujawsko-Pomorskie, Wielkopolskie, Warmińsko-Mazurskie, and Lubuskie voivodships.
- "3D co-operations - a model of multi-sectoral cooperation for the benefit of individuals and families" implemented within Macro-region III, covering the Śląskie,

Opolskie, Małopolskie, and Łódzkie voivodships.

The purpose of the meeting was to consolidate the activities of project teams around the preparation of a recommendation book, discuss the conclusions of testing cooperation models in three macro-regions, and develop recommendations based on experience from implementation practices. The effects of the pilot project and implemented project activities were also summarized.
