

## Special Issue published in Child and Adolescent Social Work Journal

We are happy to announce the publication of several papers forming part of the special issue, Children and the Child Welfare System: Problems, Interventions, and Lessons from Around the World which is guest co-edited by Jarosław Przeperski, PhD & Samuel A. Owusu of the Centre for Family Research.

To introduce the whole special issue, the guest co-editors, Jarosław Przeperski, PhD & Samuel A. Owusu present the paper, Children and the Child Welfare System: [Problems, Interventions, and Lessons from Around the World](#). The paper presents a summary of the various papers published in the journal as part of the special issue and how these papers contribute towards understanding child and family social work practice around the world.

The list of papers so far published as part of the special issue include:
